Know Your Rights

As an individual with a disability, you have a right to:

- Request an absentee ballot
- Cast a secret ballot
- Access your polling place to vote
- Have someone you choose assist you in the voting booth
- Request personal assistance from a poll worker

Contact us if:

- You have questions about voter rights
- You need information about voter registration
- Your polling place is not accessible
- You have not been provided the opportunity to vote in an accessible format
- You need help in dealing with an election official

Remember!

You must register to vote to enjoy your rights.
