Transportation Promotes Independence and Socialization

Senior Resource Association provides convenient, door-to-door service for eligible riders with no other means of transportation. It is a shared-ride service; therefore, multiple riders and stops should be expected with all trips. Eligible riders can utilize our transportation for traveling to non-emergency medical appointments, shopping and social engagements throughout Martin, St. Lucie, Okeechobee and Indian River Counties.

Safe And Reliable Drivers Get You Where You Need To Go

All transportation vehicles are ADA compliant and can accommodate passengers with wheelchairs, walkers, canes, service animals and other mobility aides. Our drivers are specially trained on how to provide services to individuals with developmental disabilities. They will also assist passengers from their doorway to the vehicle and from the vehicle to the entrance of their destination as needed. This is a fare-free service provided by the Florida Developmental Disabilities (FDD) Council.
